

**PNO/FULL MOON, Fri 10/6** - Jennifer is leading a ritual designed to encourage participants to release negative emotions built up over the year.

## Event Reviews

### **PNO, 9/8 - Discussion of CUUPS.**

*Review by Jennifer Perry*

From the general discussion during this event, I gathered that the general Triad CUUPS community is looking for energy work and social outlets. We will keep this in mind as we set rituals and events for the upcoming year.

### **Mabon, 9/23**

*Review by Jennifer Perry*

Unfortunately, I was unable to attend this ritual and no one else has written a review. However, everything I have heard about it has been highly enthusiastic. It sounded like Allison lived up to her reputation for amazing rituals.

## Executive Notes

The new Public Relations committee would like to extend a warm hello to all new and returning TriadCUUPS members. We are currently working hard to promote the Magickal Fall Festival but more importantly we want to promote YOU. That means we want YOUR ideas on how to make CUUPS better and more rewarding so you'll want to make an appearance at every event.

You can help us by signing our guestbook at any and all CUUPS events. Include your contact information or give us some feedback directly! Our new committee chairperson is Adria Smith and you can send feedback to her at [adriasmith@earthlink.net](mailto:adriasmith@earthlink.net). Or you can talk to any of the friendly PR Committee members: Adria, Amy, Brian, Keith, Lee, Lynn, Richard, or Xavier at events!
